Dear Mr. and Mrs. Tim Norris,

Thank you and everyone at Cape Fear Electrical Contractors Association for your gift of \$6,000.00 on 11/14/2023. As requested, your wise investment in the future of our community will be designated for the Robert C. Massengill Scholarship by CFECA.

You are the reason that students like Brooklyn Snead are able to live out their educational dreams at Cape Fear Community College. Brooklyn is completing the Marine Technology program at CFCC and aspires to work in a local fishery.

"This support helps me to be able to focus on learning and absorbing everything this program has to offer. I have known I wanted a career working with and around the ocean since I watched a documentary as a kid about the history of marine animals and their evolutionary journey through time. This opened my eyes to the beauty and diversity of marine life, and I fell in love with it. Ever since then, I have been hoping and dreaming about my future in this field.

Thanks to your incredibly generous support, this helps to make my dream a reality. It makes my journey to the future so much smoother and helps me to be able to better afford other things that I need to live and be healthy. Your help means the absolute world to me, thank you so much! I can't thank you enough!"

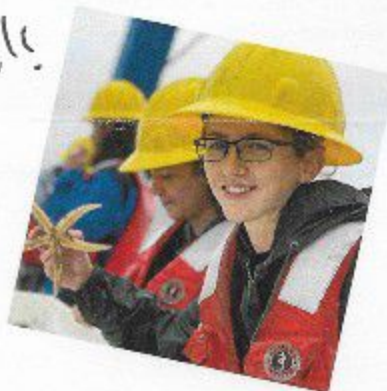

Your gift will allow us to help more students, like Brooklyn, to improve their lives through education and training. Thank you for being an integral part of the lives of our students and investing wisely in their success. Cape Fear Community College is strong, but we are nothing without our students, faculty, staff, and most importantly, incredible community partners like you. If you have questions about your gift, please call us at (910) 362-7207.

Our very best,

Logan Thompson
Executive Director, Foundation

Thank you all!

P.S. - If you have questions about your gift or its impact, please call our office at (910) 362-7207.
No goods or services were received in exchange for this contribution, only our most sincere gratitude.
